

History

IIC — INDEPENDENT INSURANCE CONSULTANTS LTD (IIC) is an international company based in London since 2000. In 2006 Mr. Franco Schiralli (**FRANCO**) joined the Company and it was decided to open the loss and adjusting and marine claim management services to our Clients.

(**FRANCO**), our Managing Partner spent many years, as technical Manager, in CNR-FINCANTIERI Genoa shipyards, attending any kind of ship's repairs, conversions of cargo and passengers ships and lengthening of bulkcarriers. In 1972 he created in Genoa an independent team of marine engineers, naval architects, called SNS, who intervened worldwide for marine Underwriters. In 1976 he became forensic surveyor in marine casualties and cooperated worldwide with maritime lawyers and loss adjusters. In 2006 (**FRANCO**) became "sapiteur" of CESAM — PARIS (French marine insurance Committee) and he attended important casualty missions.

In 2012 our international Clients: H&M and ENERGY Underwriters, P&I Clubs, Brokers, Ship Owners after having utilized our services, induced us to expand worldwide.

We did our outmost and now 2015, with our "sister Company" GLOBAL INDEPENDENT MARINE SURVEYORS LTD (**GIMS**), where (**FRANCO**) is the Managing Director, we are proud to offer to our Clients our best intervention possibilities.

Our Clients can be assured of a professional approach, delivered by highly qualified personnel with the required experience and qualifications to deliver an effective marine and transportation claims solution.

With synergy of (**GIMS**) we are able to deal any kind of missions for a variety of Clients anywhere in the world.
