

Our Team

IIC and **GIMS** are offering to the Clients their selected and skilled surveyors dedicated to the professional attitude and availability to respond to the casualties 24 hours a day, 7 days a week worldwide.

Our main logistic surveyors platforms are in Rotterdam and Genoa and our Partners / Correspondents are covering with their **hubs** all the world. Our teams include marine engineers, naval architects, master mariners, Court surveyors, specialists in onshore and offshore. Our promise is to select the right profile of surveyor you need.

Through our network we are able to offer cost and time savings to our Clients.
